Anzac

Poppies are red,
Violets are blue.
The Anzacs were young and the war had just begun.
They must have been scared but had to be brave,
Lots of them died, some soldiers were saved.
Today is the day we remember them all,
Lest we forget.

The ANZACs were big and brave but they were very young fighting in Gallipoli the battle had just begun and we will always remember them and the poppy reminds us of all the men and women who fought in World War One.
